Richmond, VA 23261

**Please allow three (3) weeks for delivery**

## **Protect your child!**

The Virginia Farm Bureau Child Saver Program offers quality child safety seats that will help protect your child in the event of an automobile crash.

The child safety seat is only part of protecting your child. For a child safety seat to provide the best protection, you must select the correct seat for your child's age and weight, and the seat must be properly installed in your vehicle.

For your child's protection, please:

- know the law and what you need to do to protect your child
- know what type of child safety seat is best for your child's age and weight
- ask questions if you are not sure about the law or how to choose the right child safety seat; and
- remember that there are people who are very interested in helping you get it right.

Virginia Farm Bureau  
12580 West Creek Parkway  
P.O. Box 27552  
Richmond, Virginia 23261
